SHARATH S

Creative Video/Photo Editor | Portrait Artist | Web Developer

I bridge art and technology by crafting visually stunning media, realistic portrait sketches, and high-performing websites using both Code and No-Code methods. Having successfully delivered 50+ diverse projects for clients worldwide, I thrive on turning creative visions into digital realities. Driven by an unstoppable passion for growth, my learning never stops as I constantly evolve my skills every single day.

EXPERIENCE

- Freelance Graphic Designer | UI/UX Designer | Web Developer

2021 – Present

 - Completed 50+ design projects including websites, logos, posters, branding and UI.
 - Built and redesigned 5+ websites using Wix Studio, Google Sites, Framer, Canva, Bolt.new and Lovable.
 - Worked with international and local clients.
- UI/UX Designer | Skill Dragon

November 2024

 - Applied User-Centered Design principles.
 - Improved usability through research and user feedback.
 - Created intuitive UI designs.
- Video Editor | Temple Run Cafe

2024

 - Edited promotional reels and shorts.
 - Designed posters and banners.
 - Created marketing videos for social media.

PROJECTS

- **Mozhi Maiyyam** – Developed an assistive application that converts sign language into text and speech. Helped bridge communication between hearing individuals and deaf/mute users. Contributed to software development, testing and feature validation. Participated in NEXORA Hackathon & Project Expo.
- **Skill Dragon Community Website** – Designed and developed the complete website using Wix Studio. Added Hero, Courses, Testimonials and About pages. Built a free learning platform.
- **Studentials** – Designed UI/UX for a Career Guidance SaaS. Built MVP using Bubble.io and ChatGPT.
- **VIP Construction Website** – Designed a modern conceptual construction website with bold branding.
- **School Website** – Designed and developed the official website for my school in Tiruvottiyur.
- **Prime Fitness Studio** – Designed promotional posters. Edited videos and reels. Created social media marketing content.
